RE: Notice of Desert Radiologists Termination

Please be advised that effective April 1, 2023, Desert Radiologists will no longer be in the Culinary Health Fund network.

Effective immediately, please do not schedule or refer patients for appointments with Desert Radiology.

We are in the process of adding additional Radiology providers to the network, but for now please refer patients to Steinberg Diagnostic Medical Imaging (SDMI). They can be reached at 702-732-6000.

For additional information or for any questions, please contact Provider Services at 702-892-7313, option 2.

Sincerely,

Culinary Health Fund
