Telehealth Updates

The Culinary Health Fund has made telehealth visits a permanent benefit. Please continue to bill CPT codes 99421-99443 with Place of Service Code 02 or 10.

Note: Telehealth is not covered for any type of therapy service, including OT, PT, ST and ABA, as well as nutritionist and acupuncture services.

COVID Billing Requirements

Effective 1/1/2022, the Culinary Health Fund will no longer be responsible for the patient cost share/copay for the **treatment** of COVID-19.

However, in accordance with The Families First Coronavirus Response Act (FFCRA), the Fund will continue to cover the patient cost share/copay for **testing and diagnosis** of COVID-19.

If you are seeing a symptomatic patient to diagnose COVID-19, you must add modifier CS to the appropriate E&M code. The CS modifier will trigger the claim system to NOT apply the member copay and the visit will be paid at 100% of your contracted allowable.

Please be advised that the Fund is only covering visits and testing for symptomatic patients. We do not cover surveillance testing for employment or travel.
