Wellness Classes for April

The Culinary Health Fund offers virtual as well as in-person wellness classes at our health centers.

A referral is not required for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress.

This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Breastfeeding** – Learn what to expect when breastfeeding.
- **Coping With Depression** – Learn how depression and anxiety affect the body and when, where and how to get help.

You can conveniently view class dates and times on the website at: www.culinaryhealthfund.org.
