NHS – New Provider Portal

An upgraded Provider Portal is now live for NHS. The Portal offers more information to the user regarding Authorizations as well as enhanced messaging to NHS staff.

Each user needs to re-establish their profile and each Active user at time of upgrade was sent an activation email. The NHS Portal User Access Agreement can be found on the NHS website.

October Health and Wellness Classes

The Culinary Health Fund offers virtual as well as in-person wellness classes at our health centers.

A referral is not needed for any of our classes, but patients are more likely to attend when their doctor refers them and follows up on their progress.

This month's classes include the following topics:

- **Diabetes 1** – Learn about diabetes, how to measure your blood sugar and tips to live healthier.
- **Diabetes 2** – Find out how to make smart changes to your diet.
- **Healthy Cooking** – How to cook delicious, healthy meals and healthy substitutes for your favorite meals.
- **High Blood Pressure** – Learn how high blood pressure can affect your life.
- **Breastfeeding** – Learn what to expect when breastfeeding.
- **Kidney Smart** – Find out what puts your kidneys at risk and what treatments are available for kidney disease.

You can conveniently view class dates and times on the website at:
