RE: Telehealth Services

Dear Valued Culinary Provider,

The Culinary Health Fund is continuously preparing and wants to be nimble with our approach to the Coronavirus Disease 2019 (COVID-19) pandemic. Effective immediately we will begin reimbursing Telehealth Services for the next three (3) months. These services will be limited to the following CPT codes 99211-99215 billed with modifiers 95, GQ or GT and place of service 02. The rate of reimbursement for the CPT codes indicated above will remain static. Additionally, there will **not** be any copays applied to these types of services. Please do not collect from the member.

Thank you for your continued support of our members and their families. If you have any questions regarding this notification, please contact Kimberly Wilke, Manager of Healthcare Services at (702) 892-7309 or one of our Healthcare Services Associates at (702) 892-7313, option 2.

Sincerely,

The Culinary Health Fund
