The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.culinaryhealthfund.org or call 702-733-9938 or 1-800-457-8512. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.dol.gov/ebsa/healthreform or www.cciio.cms.gov or www.healthcare.gov/sbc-glossary or call 1-800-457-8512 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0.00	See the Common Medical Events chart below for your costs for services this plan covers.
Are there services covered before you meet your <u>deductible</u> ?	Not Applicable	Not Applicable
Are there other deductibles for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$6,350 individual / \$12,700 family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Dental copayments, expenses incurred out of network unless the Plan Administrator allows coverage at PPO rates provided an eligible person obtains prior authorization and the medical procedure is not available in the Las Vegas area, premiums, balance billing charges, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit.</u>
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.culinaryhealthfund.org or call 702-733-9938 or 1-800-457-8512.	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's PPO <u>network</u> . You will pay the most if you use a Non-PPO <u>provider</u> , and you might receive a bill from a Non-PPO <u>provider</u> for the difference between the Non-PPO <u>provider</u> 's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your PPO network <u>provider</u> might use a Non-PPO provider for some services (such as labwork). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost-sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
